

# “HD” Series

The only family this size that is 100% waterproof with rubber interior liners, steel pin hinge construction, thick ribbed walls for high impact resistance, and an adjustable pressure relief valve for airline transit. Available in two popular sizes, the “Heavy Duty” Series have snap-shut latches, a thick-grip handle for extra strength and durability, and each locking point is protected with steel for extra security. These waterproof cases offer an extremely competitive choice for demanding applications.
