## Merchant™ Case Series

All **Merchant Cases** employ shallow lid with deep base functionality and include slide open/shut lockable latches with bead-line seal fit between base and lid. The flush handle style Merchant case is available in 7 inch and the off-set handle style (designed to provide excellent balance by off-setting the handle for center grasp between the lid and base) is available in 10, 12, 14, and 15 inch.
