

Pallet Packer

Flambeau INC. is pleased to offer the **Pallet Packer** which stacks securely and squarely on a 40" x 48" pallet (4 cases wide x 12 layers high for the 4610PP or 4 cases wide x 13 layers high for 4610PPB). The **Pallet Packer** features ribbed walls for extra strength & durability, an integral handle for easy carry, (4) HD snap-shut latches, (4) lock holes for extra security, a logo plate area, a flat surface area for a bar code label, (4) integrated strap loops, and double slit foam for maximum options to strap objects down. Saving thousands of dollars on freight by not only stacking up to 2,880 cases (4610PP) per truck load or up to 3,120 cases (4610PPB) per truckload, but it also fits within UPS/FedEx limits surpassing the extra shipping fee (\$10.50 for every carton overhanging pallet)!

Features of the **Pallet Packer** include:

- Securely Stacks 48 Cases/Pallet
- Fills 2,880 Cases Per Truck Load
- Fits Within UPS/FedEx Limits
- Tough Polypropylene Construction
- Ribbed Walls for Extra Strength & Durability
- Includes 4 Hold Down Strap Loops
- Protective Foam In The Lid & Base
- Tongue & Groove Design With A Dust Proof Seal
- Four Locking Points
- Four HD Snap-Shut Latches
- Call Us To Order Bulk Quantity
