HD Gear Box

Flambeau INC. is pleased to introduce the NEW 14 Inch **HD Gear Box**. This rugged, durable box is perfect for storing and transporting tools, equipment, instruments and more.

The **HD Gear Box** includes a deep interior for additional storage space and a rubber gasket in the lid creates a dust seal and makes the **HD Gear Box** water-resistant as well.

The **HD Gear Box** features include:

- Water-resistant o-ring seal keeps contents dry
- HD black matte-finish metal latch
- Smooth surface area to customize with a logo
- Comfortable grip carry handle
- MADE IN THE USA

Gear Boxes

Tactical Gear Box has the same great features as the original, but with a wider 7 inch width, an optional divided core, and an optional shot shell tray to fit snug inside! Features include a gasket around the inner rim, an oversized handle and latch, tongue-and-groove design for water resistance, ribbed walls for crush resistance, and a deep open interior for maximum storage.

Part Number	Description	Inner Dimensions	Material	Packed
7415GB	Tactical Open Core - Black in Color	9.625 L x 7 W x 4.25 D Inches (24.4475 x 17.78 x 10.795 cm)	Copolymer PP	6/ctn
7425GB	Tactical Divided Core - Black in Color	9.625 L x 7 W x 4.25 D Inches (24.4475 x 17.78 x 10.795 cm)	Copolymer PP	6/ctn

Mini, Small, Medium & Large Gear Boxes are perfect for Medical Supplies, Safety Equipment, Automotive Repair Kits, Test Equipment, Toys, Art Supplies, Maintenance & Repair Supplies, Gaming, Industrial Supplies, Firearm Supplies, Electrical Testing Equipment, and much more.

Features and benefits of these gear boxes are:

- Deep open interiors accommodating large, tall parts & equipment
- Gasket in lid keeps contents dry and protected in extreme environments
- Tongue-and-groove design secures contents inside
- Oversized handle and latch

As an option, all sizes can be molded in Zerust creating an invisible barrier to fight against corrosion.

Lift Out Tray and Storage Compartment on Medium and Large Sizes only.
